## Programs We Support

*Funds raised by the Eagle Mountain-Saginaw ISD Education Foundation go to support three main programs:*

**Student Scholarships** - The Foundation awards \$500 scholarships to students graduating from Boswell High School, Saginaw High School, and the Watson Learning Center. Since its inception, over \$76,000 in scholarships has been awarded to students graduating from these three schools.

**Educator Scholarships** - The Foundation awards \$500 scholarships to EM-S ISD educators who are continuing their education. Over \$25,000 in scholarship funds to teachers, administrators, nurses, paraprofessionals and aides who are continuing their education have been granted by the foundation.

**Innovative Teacher Grants** - Funds for this program go directly to the classroom to help teachers bring new, innovative teaching methods and projects to the classroom. These grants cover the cost, which is often not available in the campus' general budget fund. Over \$80,000 has gone directly back into the classroom through innovative teaching grants.
