In addition to the great activities available at the preview, during the summer campers can choose* to ride horses, do the climbing wall and zip line, and splash around in one of our spacious swimming pools.

El Tesoro is close to home, but provides campers with the opportunity to gain independence and build respect – for themselves, others, and the environment.

Check us out online or at one of our camp preview events.

Picture yourself having the time of your life at Camp El Tesoro!
