# 2014 Holiday Wish List

Thank you for making the holidays brighter for the patients at Cook Children’s! Each year we are amazed at your generosity and your tender care in following our gift guidelines.

## Donation Guidelines
- All donated items MUST be new. Many children have illnesses that make them more susceptible to germs.
- **Please do not gift wrap your donation** – this makes it easier to match the items with the right child.
- Out of respect for the diversity of family beliefs, we do not distribute toys with a theme that may be perceived as violent (guns, swords, bows and arrows, etc.) or items with religious content.
- Media items must have a rating suitable for all age groups (G or PG movies, E video games).
- We cannot accept latex balloons, candy, or other food items.
- All fliers and print material must be approved by Cook Children’s prior to use.
- Due to privacy, safety, & infection control policies, **gifts may NOT be delivered directly to the patients.**
