Principles of Education and Training

PEIMS: 13014200

Grade Placement: 9-12

Prerequisite: None

Credit: .5

Site: BHS, SHS, CTHS

Students are introduced to careers available within the education and training career cluster, such as teaching, coaching, director, trainer, educational counseling, and educational administration. Students will create an educational/career plan for working within this career cluster and will begin building a career portfolio that will be developed throughout the education and training course path.

Counseling and Mental Health

PEIMS: 13024600

Grade Placement: 10-12

Prerequisite: None

Credit: 1

Site: BHS, SHS, CTHS

This course is designed for students to model the knowledge and skills necessary to pursue a counseling and mental health career through simulated environments. Course content includes a focus on career opportunities in counseling and mental health, effective communication techniques, characteristics of various mental illnesses, and use of technology in the profession. Students are expected to apply knowledge of ethical and legal responsibilities, limitations, and the implication of their actions.

Human Growth and Development

PEIMS: 13014300

Grade Placement: 10-12

Prerequisite: None

Credit: 1

Site: BHS, SHS, CTHS

Human Growth and Development is an examination of human development across the lifespan with emphasis

upon research, theoretical perspectives, and common physical, cognitive, emotional, and social developmental milestones.

Instructional Practices in Education and Training

PEIMS: 13014400

Grade Placement: 11-12

Prerequisite: None

Credit: 1

Site: BHS, SHS

Students will develop knowledge, skills, and experiences needed to work within the education and training career cluster. These may include child development theories, learning activities, program management, curriculum planning, teaching and leadership. Students gain field experience at cooperative schools during assigned class time; placement rotations are utilized to allow students to have experiences in a full range of education career roles, grade levels, subject areas and ability groups. Students continue to build a career portfolio that will be developed throughout the education and training course path. Uniform fee may apply of no more than \$25.00.

Practicum in Education and Training

PEIMS: 13014500

Grade Placement: 12

Prerequisite: Inst. Practices in Ed. and Transportation

Credit: 2

Site: BHS, SHS (plus assigned elementary/middle school)

This is the final course in the education and training career cluster. Students are assigned to a field-based internship which provides students with the opportunity to apply the knowledge and skills learned in previous courses in an assigned elementary/middle school classroom. Students will plan and direct student instruction as well work cohesively with assigned teacher four days a week. Students continue to build a career portfolio that will be developed throughout the education and training course path.
