## AFTERNOON DISMISSAL PLAN

Students will be escorted to dismissal areas by teachers. If students from more than one grade level are picked up together, the older student(s) will wait with the youngest student(s) in the assigned area. For example, if a 3rd grader rides home with a 1st grader, the 3rd grader will wait in the 1st grade area so that only one pick-up stop will need to be made.
