

# HATS!

A Musical That Celebrates What's Underneath

## Let's Party

Party! Let's party! Let's take it from the top.  
Party! Let's party! The fun will never stop.  
Party! Let's party, 'cause this is where it's at!  
Party! Let's party! Put on your party hat!

Wo-wo-wo! I said wo-wo-wo!  
Wo-wo-wo! Now let's go-wo-wo! Come on,  
Party! Let's party! Let's take it from the top.  
Party! Let's party! The fun will never stop.  
Party! Let's party, 'cause this is where it's at!  
Party! Let's party! Put on your party hat!

When I got up this morning,  
Well, I jumped right out of bed.  
And then without a warning,  
Well, a hat was on my head!

"This hat will keep me dry," I said,  
"Protect me from the sun.  
I cannot tell a lie," I said,  
"This hat is really fun!  
And the fun has just begun!"

*(Dance Break)*

Wo-wo-wo! I said wo-wo-wo!  
Wo-wo-wo! Now let's go-wo-wo! Come on,  
Party! Let's party! Let's take it from the top.  
Party! Let's party! The fun will never stop.  
Party! Let's party, 'cause this is where it's at!  
Party! Let's party! Put on your party hat!

Yeah, this is where it's at! I love my party hat!

## The Perfect Hat for Me

There are so many hats, it's hard to choose!  
It has to fit my head and ought to match my fav'rite shoes!  
I know my head is bare, but this, I guarantee...  
I'm gonna take my time and find the perfect one for me!

The perfect hat for me, whatever will I be?  
I'll always cover my Thinkamabob with a perfect hat for me!  
The perfect hat for me, I'll find it, wait and see.  
I'll always cover my Thinkamabob with a perfect hat for me!

If someone hollers "Fire!" I know which hat to wear.  
And if I need to change a tire, my head will not be bare.  
No matter what the job, as you can clearly see,  
I'll always cover my Thinkamabob with a perfect hat for me!

If I arrest a crook, I'll have a cap for that.  
And if I make some bread, I'll wear a tall white baker's hat!  
No matter what the job, as you can clearly see,  
I'll always cover my Thinkamabob with a perfect hat for me!

A helmet, a derby, a cowboy hat is cool ...  
A square one with a tassel when you graduate from school!  
A boater, a beanie, a stocking cap, beret ...  
Or, maybe we should have a different hat for ev'ry day!

The perfect hat for me, whatever will I be?  
I'll always cover my Thinkamabob with a perfect hat for me!  
The perfect hat for me, I'll find it, wait and see.  
I'll always cover my Thinkamabob with a perfect hat for me!  
I'll find the perfect hat for me!

# Keep Your Head in the Game

In a baseball game, well it's kinda lame  
If you don't have a baseball cap.  
And if you hit your stride on a horseback ride,  
Get a hard hat, tighten the strap!  
Say you're cruisin' along, helmet sleek and strong,  
Aerodynamic on your new bike.  
And if you're ready for some football,  
You'll have a helmet on before the first "Hike!"

Forward, sideways, backwards, too,  
Ya gotta pick the hat that's right for you.  
So go put it on and wear it with pride,  
But never wear your hat ... inside!

If you're into sports and you like to win,  
And playin' is your claim to fame,  
You can use your brain and get gain, not pain.  
A hat'll keep your head ... in the game!

# Uncle Sam Is Who I Am

Uncle Sam is who I am, who I am is Uncle Sam.  
I'm proud to wear the red, white and blue!  
And when my country calls, I'll do my best for all,  
And tip my hat to you.

Uncle Sam is who I am, who I am is Uncle Sam.  
I'm proud to wear the red, white and blue!  
And when my country calls, I'll do my best for all,  
And clap my hands for you.

America! America!  
I love you through and through.  
America! America!  
I'll tip my hat,  
And clap my hands for you!

Uncle Sam is who I am, who I am is Uncle Sam.  
I'm proud to wear the red, white and blue!  
And when my country calls, I'll do my best for all,  
And stand up tall for you.

Uncle Sam is who I am, who I am is Uncle Sam.  
I'm proud to wear the red, white and blue!  
And when my country calls, I'll do my best for all,  
And give my heart to you.

America! America!  
I love you through and through.  
America! America!  
I'll tip my hat,  
And clap my hands,  
And stand up tall,  
And give my heart to you!  
I'll give my heart to you!

# My Head, My Heart

In my head, there's a melody,  
A song that only I can hear.  
And in my heart, a rhythm calls to me.  
When I listen, ev'rything seems clear.

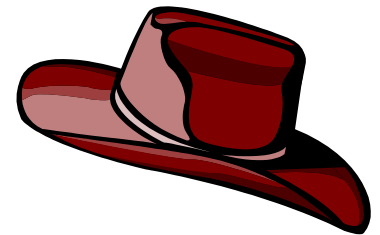

My head, my heart,  
My head, my heart,  
My head, my heart,  
With me every day ...

My head, my heart,  
My head, my heart,  
My head, my heart,  
Always showing me the way.

Look around, it's a crazy world.  
You'd think, I'd run away and hide.  
But I'll get through, I'll find my own way, too,  
'Cause I know what's goin' on inside.

My head, my heart,  
My head, my heart,  
My head, my heart,  
With me every day ...

Always showing me the way
