

Student Office 365 Account Opt-Out Form

Eagle Mountain Saginaw ISD can provide students with free, cloud-based (Internet) Office 365 communication and collaboration tools. Such tools provide the ability for EM-SISD students to communicate, store files, and collaborate on documents and presentations in real time from school or home, all within a secure online environment. Implementation of EM-SISD student Office 365 accounts in the classroom is a teacher decision, but the EM-SISD Student Office 365 Account Opt-Out Form offers parents/guardians the option to opt-out of the use of such tools for their children if they do not want them to participate in a cloud-based environment. For further information visit <http://www.emsisd.com/office365>.

Please sign below and return only if you do not wish for your student to participate in having an EM-SISD student Office 365 account.
