# Placement Auditions for 2023

- If you play an instrument (woodwind, brass, or percussion) and you sign up for the class, audition, and attend Band Registration, you WILL be in the 2023 Ranger Regiment.
- The placement auditions are about finding the right spot for your child.
- Woodwind and brass students will be placed into one of three concert band classes based on this audition
- Percussion students will be placed in either Battery or Front Ensemble
- There is no guarantee of making the Colorguard. If your student is planning on trying out for Colorguard and also plays an instrument, they should plan on auditioning on their instrument as well.

# Audition Dates

When does my child audition?

- Woodwind/Brass Auditions - Saturday, March 25th
- Percussion Auditions - April 25th, 28th, May 2nd, May 5th-6th (5-6:30pm)
- Colorguard Auditions - TBD

*After your audition, we will communicate scheduling needs to the CTHS Counseling Office.*

# Concert Ensembles

## What are the possibilities?

- Concert Band
  - This is the third band at Chisholm Trail High School. It typically includes the youngest, least experienced musicians.
- Symphonic Band
  - This is the second band at Chisholm Trail High School. There is a wide variety of ages in the group. Many of these students are in private lessons.
- Wind Ensemble
  - This is the top band at Chisholm Trail High School. These are mostly older students (right now this group is 78% juniors and seniors). Most of these students are in private lessons.

All of these students will still participate in the Ranger Regiment marching band, and all are still important to the success of the program.

# Percussion Auditions

- There are two possibilities for which group your student will end up in:
  - Battery (these are the students that march around the field while playing: snares, tenor drums, bass drums)
  - Front Ensemble (these are the larger percussion instruments that are parked at the front of the field: marimba, vibraphone, xylophone, timpani, drum set, etc.)
  - These groupings will determine which class period your student will be in.

# Band Class Scheduling

- 1st Period - Wind Ensemble & Battery Percussion (Snare & Quads)
- 2nd Period - Symphonic Band & Front Ensemble Percussion
- 3rd Period - Concert Band & Battery Percussion (Bass Drums)
- 5th Period - Jazz Band
- 8th Period - Colorguard & AP Music Theory

# Arena Scheduling

## **What is Arena Scheduling?**

Arena Scheduling is the process by which your child will select his/her course schedule for the 2023-2024 school year, down to the class period they are taking each course.

## **When do Students Select their Schedule?**

Arena Scheduling will begin the week of April 24th.

This is why we have started doing our concert band auditions earlier in the semester for our woodwind and brass students. If your student has not auditioned yet, please talk to me after the meeting to schedule an audition, or email me at [ddoyle@ems-isd.net](mailto:ddoyle@ems-isd.net)
