Flooring Projects

Prairie Vista MS

Progress Update of other Projects

- Maintenance Addition and Multiple Security Projects – The district will continue to define the scope.
- Network Operations Center (NOC) – Design and ordering of materials in progress
- Central Office – Continue design meetings. Projected construction will begin in Fall 2020.
- Eagle Mountain HS – Continue to have meetings with VLK. A virtual meeting was conducted with current high school and middle school students to gather information on things they liked in their schools, how they preferred to learn, and what would help them learn better in the future.
