

EAGLE MOUNTAIN HS

This photo shows an aerial view of the front of the campus.

Masonry and glass installation continue at the front of the main building.

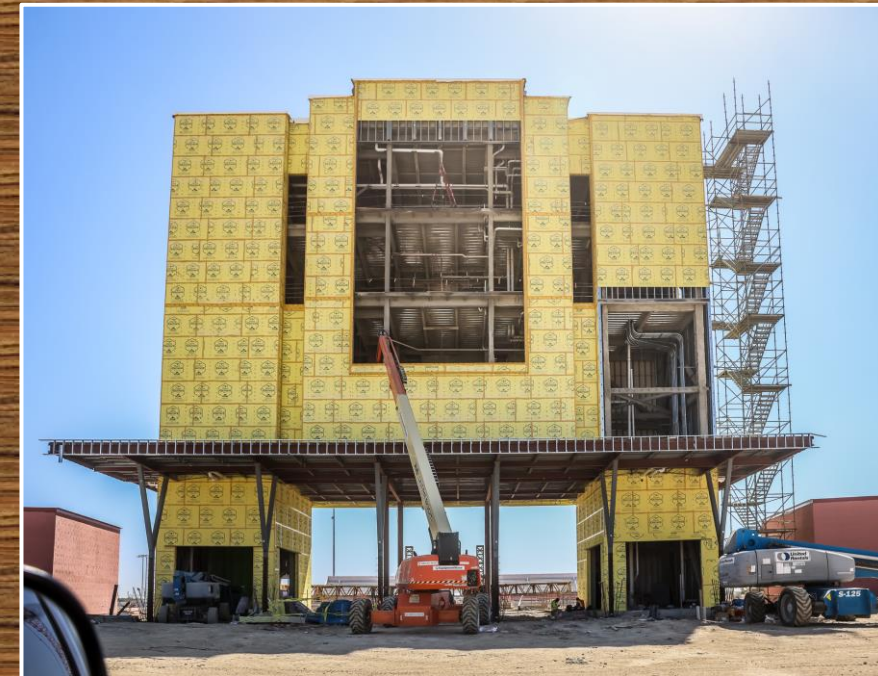

Masonry is complete in the fine arts and gymnastics areas.

Exterior wall construction continues at the main gymnasium and installation of glass on the sky bridge is progressing.

Aerial photo is a western view showing the progress of the stadium and field house.

Work continues on the playing surface, restrooms, concession stands, and press box.

Work continues on the water line and preparation for the temporary asphalt road.
