

# Eagle Mountain - Saginaw ISD

# Coding Camp

**Incoming 9th - 12th  
grade students**

**July 10th - 12th, 2018**

**9:00 a.m. - 12:00 p.m.**

**Hollenstein Career and  
Technology Center**

This introductory programming camp is designed to spark interest in coding, computer science, engineering and robotics. Students will learn how to use the TI-Nspire CX with the TI-Innovator Hub to learn basic coding and design. Learn how to drive a rover and create a mood ring all through coding!

**Space is limited register today! There is no cost to attend!**

**Eagle Mountain - Saginaw District Website**
