## 2015-2016 PTO West Membership Form

The Parent/Teacher Organization West of EM-S ISD provides services for more than 5,500 students and the staff at six campuses. PTO provides staff hospitality, student assistance, and volunteer assistance with events across the district. We also fund scholarships and campus requests to enhance student and staff success.

We are locally based and dues are just \$10.00 per parent, \$5.00 for students and EM-S ISD staff. Anyone middle school age and older can join. We are funded by membership dues, middle school football and track concession sales, along with donations.
