

GET CONNECTED WITH CTE!

The Eagle Mountain – Saginaw Independent School District Career and Technical Education program is dedicated to preparing young people to succeed in high-demand occupations in the 21st-century's competitive global economy. This is accomplished by integrating education and the workplace, engaging students in their educational journey, fostering a commitment to post-secondary education, and preparing students to create their future in the 21st – century workforce.

Ready to connect?

Complete the employee partners form using the QR below.

PARTNERSHIP BENEFITS
