

Keeping Up with the Ranger Regiment WITHOUT a Twitter Account!

If you'd like to keep up with all the latest information and reminders from the Chisholm Trail Ranger Regiment (and/or CTHS Percussion), there is an easy way to do so through text messaging without ever having to sign up for a Twitter account.

This feature is called "Fast Follow", and the steps are shown below:

1) Text "Follow @RangerRegiment" to the number 40404 from your text-message enabled phone

2) Nothing. That's it. Really, that's all you have to do. You will now receive each tweet from the @RangerRegiment account as a text message on your phone without ever having to sign up for a Twitter account.

Don't forget that if your child is a percussionist, you will also need to follow the @CTHSPercussion Twitter account. You can do that by texting "**Follow @CTHSPercussion**" to the number 40404.
