

# EME STUDENT COUNCIL

---

Leadership Begins Here

# WHAT IS STUDENT COUNCIL?

As a leadership group we strive to:

- \* Be role models of good citizens with positive behavior and good grades
- \* Participates and promotes community projects
- \* Promote pride and patriotism
- \* Work to be positive members in our school community through activities that promote helping others.

# ACTIVITIES WE WILL DO

---

Helping within our  
school community

Staff appreciation  
treats

Community  
service projects

# WHAT IS EXPECTED OF STUCO MEMBERS?

Student council members are expected to show good citizenship: if a student goes to the office for a discipline referral, the principal may put the student on probation from participating in student council events.

Student council members are expected to be at the monthly meetings which will usually fall on the first Thursday of the month. Calendars and remind reminders will be sent out.

Student council members are expected to report to their school community assignment in a timely manner.

# CAN STUDENT COUNCIL MEMBERS PARTICIPATE IN OTHER ORGANIZATIONS?

8/8/2024

Student Council members can participate in other organizations such as choir and UIL. The student will need to communicate with me that they will be missing their community service assignment and if they are working with a teacher, they need to also communicate with them if they have morning practice. Mrs. Keeling and I work together to make sure that the students can participate in both activities.

# STUDENTS WILL NEED TO APPLY TO BE A PART OF STUDENT COUNCIL

- Last year's report card will be checked for grades and citizenship.
- Must have made 80s or above in all academics
- Must not have received any N or U's for citizenship grades

# IF YOUR CHILD IS READY TO BE AN EAGLE STUDENT COUNCIL MEMBER

- Permission form must be returned to school by Wednesday, August 28<sup>th</sup>.
- Responsibility is a top skill we practice as leaders and late forms will not be accepted.
- If your student meets the criteria, then they will receive an acceptance letter. The membership fee will need to be made after that time. (The fee pays for their student council t-shirt and snacks for the mandatory after school meeting)

# THANK YOU
