Clouds
When you look at the clouds, what do you see?
Can you even imagine, what they could be?

When you look at the clouds, what do you see?
And do you think those fluffy clouds see me?

When you look at the clouds
P2 What do you see?
P1 I can see a spaceship.
Can you even imagine
P1 what they could be?
P2 I can see a dove.

When you look at the clouds
P2 What do you see?
P1 I can see a butterfly.
And do you think those fluffy clouds
See me?

Think of all the possibilities
P1 Imagine
P2 Imagine
All the possibilities
Dream

When you look at the clouds
P2 What do you see?
P1 I can see a lion.
P2 I see a football.
Can you even imagine
P1 What they could be?
P2 I see a swan
P1 Me, too!

When you look at the clouds,
P2 What do you see?
P1 I can see a daffodil.
P2 a fish.
And do you think those fluffy clouds
See me?

When you look in your heart, what do you see?
Can you even imagine, all you can be?

When you look in your heart, what do you see?
And can you think, imagine, dream

All the possibilities? What do you see?
