Dear Current and Future EMS ISD Employees,

Welcome to the 2021-2022 school year in Eagle Mountain-Saginaw ISD! Whether you have officially joined the EMS Family or are still considering your options, your journey as a public education employee has brought you to a very special destination. Currently the fifth fastest-growing school district in the Fort Worth/Dallas Metroplex, Eagle Mountain-Saginaw ISD offers the best of both worlds – easy access to big-city amenities within a community that prides itself on its friendly, hometown feel. The famous movie quote, “There’s no place like home,” may sound a bit cliché, but I have found it truly describes the essence of being part of EMS ISD.

If you are a current employee, you know first-hand the intangible effect I am describing. If you are new to the district, welcome! You are joining a well-connected, fast-growth community that prioritizes the education of its children and supports the local public schools that have been a foundation of this area dating back to the late 19th century. EMS ISD is a district grounded in rich tradition, with its focus on the future. We seek to recruit and retain staff members who are committed to our district mission, philosophies, and expectations, which set the foundation of fostering a culture of excellence in all we do.

In EMS ISD, we intentionally celebrate the fact that we have “world-class educators” teaching and serving our students, from our pre-kindergarten classes to our senior-level advanced courses. In fact, recruiting, retaining, and supporting “world-class educators” in all roles and responsibilities is a key piece of our Aspire 2025 Strategic Plan. This focus is further reflected in the philosophy of our annual compensation plan, which sets the following objectives:

1. Provide competitive pay to attract and retain highly qualified personnel, aligning compensation with strategic district goals.
2. Conduct salary studies annually to objectively examine pay equity for employees to determine both internal fairness and external competitiveness.
3. Identify and address any existing pay inequities.
4. Reward continued service to the district.

These objectives provide the roadmap by which we build our annual compensation plan, represented in the following pages of this manual. They serve as the foundation in our personal relationship with each individual employee, and begin what we hope will be a long journey together. If you have any questions, please be sure to reach out to us.

It’s going to be a great year for the EMS ISD community and we look forward to all we will accomplish. Please let me be the first person this year to welcome you home in Eagle Mountain-Saginaw ISD.

Sincerely,

Jim F. Chadwell, Ed.D

Supplemental Compensation

EMS ISD is committed to creating a culture of excellence in the design and development of a competitive and cost-effective compensation package. Supplemental pay, which includes stipends and extra duty pay, represent an important component of the compensation package. Supplemental pay represents an amount added to base pay to compensate employees for extra duties or special credentials. Supplemental duties and compensation are assigned and approved on a year-to-year basis. Assignment in any school year does not guarantee duties and compensation will be assigned in subsequent years. The District may change duties and compensation at any time, as supplemental pay is separate from an employment contract and does not represent a property right in duty or compensation. Non-exempt (hourly) employees are not eligible to receive supplemental pay due to Federal Labor Laws because these employees must be clocked in and earn overtime or comp time.
