NAVIGATING A NEW WAY OF LEARNING

As the landscape of learning continues to change, the Y remains committed to serving you and your child through extended learning opportunities. As area school systems adjust calendars due to COVID-19, we will adjust our programming for the 2020–2021 school year. Below is a list of distance learning opportunities provided by the Y:

DISTANCE LEARNING SUPPORT PROGRAMS (DLS)

Is your child participating in virtual learning this semester? Do you need help managing their virtual class schedule? Do you want them to stay active and socially engaged? The Y's Distancing Learning Support Program can help keep your children socially engaged during the school year, while still receiving the benefits of online learning. While school may look a little different this year, the Y is here to help bring fun, friendships and enrichment to your child's day.

HOURS: Monday—Friday; **Full Day Week:** 7:30am—6pm or **Half Day Week:** 7:30am—1pm
Program start dates vary based on the ISD's virtual start plans.

DAILY SCHEDULE: Your child's daily schedule will vary to meet the needs of their virtual learning experience. Our staff will assist children with daily classwork assignments utilizing Google Classroom, Zoom, and Microsoft Teams. When they are not engaged in online instruction, children will work in small groups (1:15) learning enrichment, playing games, choice activities and physical fitness.

LOCATIONS: Amon G. Carter Jr. Downtown Y, Benbrook Y, William M. McDonald Y and Camp Carter YMCA

RATES:

Full Week: \$175/Members \$190/Non-Members

Half Day Week: \$90/Members \$115/Non-Members

Scholarships are available. Please contact Yvette Franklin at yfranklin@ymcafw.org for details.

REGISTRATION: Registration is available online: ymcafw.org/afterschool

Y LEARNING LABS (VIRTUAL LEARNING LAB)

It can be difficult to balance working from home and keeping your kids on track with school assignments. So during this challenging time of at-home education, the YMCA is providing academic assistance through online homework sessions for students in grades K-5. Each Y Learning Lab session will be 50 minutes long and will focus on existing school assignments, such as math, social studies or ELA. The learning sessions are staffed by YMCA professional youth directors as well as certified teachers.

AGES: students ages 5—12 years

HOURS: Days and hours will vary based on your individual needs. Sessions need to be scheduled 48 hours in advance to assign a YMCA staff for your session. Once you register you will be contacted to discuss final details needed for the session.

VIRTUAL INFO: Students will need access to a computer or tablet; Y Learning Lab will use Microsoft Teams to conduct the session

RATES: \$15/session; Session with certified teacher: \$25/session. Discounts available for multiple sessions.

REGISTRATION: Registration is available online: ymcafw.org/afterschool

Y KIDS CLUBS

Looking for a little fun in your child's day? Need the kids to get some energy out? At Y Kids Clubs, children will have the opportunity to enhance their learning through hands-on activities in a small group (15 students or less) setting during 60-minute sessions that will be available both virtually and in-person.

AGES: students ages 4—10 years

HOURS: Session times will vary based on subject area. All sessions will take place Monday—Thursday between 1—5pm.

LOCATIONS: Amon G. Carter, Jr. Downtown Y, Benbrook Y, Northpark Y, Hood County Y

SUBJECT AREAS: STEM activities, Arts & Crafts, Lego Builders, and more! Stay tuned for more details.

RATES: Member: \$40/session; Non-Member: \$50/session. Discounts available for multiple sessions

REGISTRATION: Registration is available online: ymcafw.org/afterschool

KIDS P.E.

Kids need to be active! At the Y, we are committed to helping our kids and families stay active even during these difficult times. Our Kids P.E. program engages small groups of children in age-appropriate group games, physical education sessions, nutrition and group exercise classes designed to keep them active and healthy!

AGES: 5—12 years

HOURS: Monday/Wednesday/Friday in 2-week sessions; 3 activities per week offered from 2—4pm.

LOCATIONS: Benbrook Y, Hood County Y, and Downtown YMCA

RATES: Member: \$65/session; Non-Member: \$85 session. Discounts available for multiple sessions

REGISTRATION: Registration is available online: ymcafw.org/afterschool
