Students choose at least one task from the boxes below to complete each day.

<p>New Learning: Required</p> <p><i>*More information will be coming from your teacher this week.</i></p>	<p>Choice 1: Beginning Sounds: Use the plastic Easter eggs to create a fun game with beginning sounds. On one side of the egg write a B,C,M,R on the other side write –at. Spin the egg and practice the words . Bat, Cat, Mat, Rat</p>	<p>Choice 2: Writing – Create foldable books with paper. Draw pictures of</p>
<p>Choice 3: Listening Games: Classic Game of Hot/Cold This activity builds vocabulary. Materials: an item to hide</p> <p>Remember this game? Hide an item (toy, hat, anything) in the room. Have your child wander around looking for the item. If they are moving away from the item, say they are getting colder . . . icy . . . freezing cold! If they are moving closer, say they are getting warmer, hot, boiling hot! Have fun building vocabulary by using different words for hot and cold.</p>	<p>Choice 4: Look for Letters! This activity builds early reading skills. Materials: any items in the kitchen</p> <p>Do an alphabet scavenger hunt in the kitchen! Give your child a letter to look for on boxes, canned goods, jars— anything with a label. Make it an ongoing challenge by starting with A and going in alphabetical order. Can you find every letter in the alphabet?</p>	<p>Extension: Sound Blending In this game, your child will listen carefully for sounds in animal names and put the sounds together to make the word. Separating and blending sounds that make words is part of “phonological awareness”, an important skill that comes before learning to read and spell.</p> <p>https://cliengagefamily.org/super-clasificacion/</p>
