

# The Transition Assessment and Goal Generator

V I R T U A L   S E S S I O N

September 23, 2020 • 2:00 – 3:30 p.m.

The Transition Assessment and Goal Generator (TAGG) is an online assessment that can be used to help identify a student's transition strengths and needs, and from the greatest needs, TAGG automatically produces recommended annual transition goals for his or her IEP. The TAGG has three versions: Professional, Student, and Family. Responses from all three versions are captured in the results profile. The Student and Family TAGG versions promote a student's voice in developing the IEP transition plan!

Registered participants will also create an action plan for implementation, create an account, and receive free credits for use.

**To register, visit [www.esc11.net](http://www.esc11.net) and click on "Register."**

*This is an ESC Region 11 and 10 Collaboration, generously supported by the Student-Centered Transition Network and The University of Oklahoma Zarrow Center for Learning Enrichment.*
