

Grade Changes/Verification

Please use this process to verify/change any grades in Skyward. After receiving grade proof / edit sheets from your respective campus office, this would be the area where you would make changes to grades, if needed. If grades are correct, you do not need to go through this process.

Please login to Skyward Web Student.

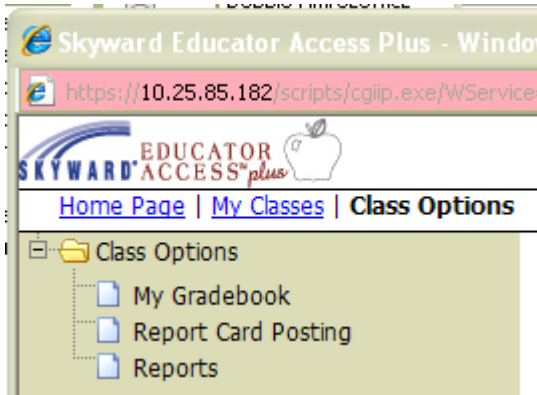

From Teacher Access, select My Classes.

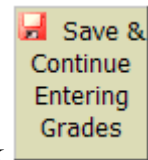

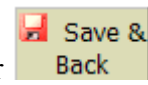

Next, select Class Options for the class you would like to change/verify grades for.
