

EMS ISD is pleased to announce that we are continuing our **free** national test preparation program to help our students prepare for college entrance exams (SAT and ACT) as well as compete for college scholarships. This program is free for students who have not previously enrolled in an EMS ISD Prep Academy. If your student has previously enrolled, the cost is \$99. Instruction for the ACT preparation course will be taught in-person by certified EMS ISD teachers who are trained in the Princeton Review curriculum.
