Grade Level Resources:

All district approved links and academic resources are found using Single Sign-on Portal (SSO). Access to TEAMS is available to students through our [Single Sign-on Portal \(SSO\)](#).

Grade Level Goals:

Students who complete this course successfully will be able to:

- Read on a BAS level J
- Recognize 150+ sight words
- Recognize and count numbers to 120
- Solve addition/subtraction problems to 20
- Skip count by 2's, 5's, 10's to 120

Student Evaluation:

The grading system for First Grade is as follows:

- Standards based report card, based on mastery of standards (TEKS) assessed/observed by teacher
- Students will get feedback on report card in the core content areas of Math, ELAR, Science, and Social Studies. The reporting categories are as follows:

Category	Description
3	Meets standard
2	Approaching standard
1	Area of concern

Assignments, exams, expectations outside of the classroom:

We do not assign homework; however, it is encouraged to do the following:

Reading:

- Read at least 20 minutes a day. This is a great way to make your student a stronger reader.
- Practice reading sight words. They should work towards being able to recall words quickly without needing to sound out the word.

Academic Integrity:

Academic integrity values the work of individuals regardless if it is another student's work, a researcher, or author. The pursuit of learning requires each student to be responsible for his or her academic work. Academic dishonesty is not tolerated in our schools. Academic dishonesty, includes cheating, copying the work of another student, plagiarism, and unauthorized communication between students during an examination. The determination that a student has engaged in academic dishonesty shall be based on the judgment of the classroom teacher or other supervising professional employee and considers written materials, observation, or information from students. Students found to have engaged in academic dishonesty shall be subject to disciplinary and/or academic penalties. The teacher and campus administrator shall jointly determine such action.
