Grade level Resources:

- [Single Sign-on Portal \(SSO\)](#).

Classroom Goals

- One year's growth in BAS reading level
- Write complete sentences and well-organized paragraphs
- Solve and regroup 3-digit numbers in addition
- Learn to self-manage and stay on task with class work
- Participate cooperatively and safely in classroom activities

Guidelines for Success

If you do good, you feel good!

- Students will follow Positive Action expectations
- Students will use the Thoughts Action Feelings Circle

Classroom Rules

- Maintain self-control and appropriate classroom voice level
- Be respectful of yourself, others, and school property
- Listen to the first request
- Value each other, their time and opinion

Student Evaluation:

The grading system for second grade is as follows:

- 40% daily assignments (formative) and 60% summative assessments
- A minimum of one daily grade per week should be recorded per core content area. At teacher discretion, there may be a greater number of daily grades; however, as appropriate, there may be weeks in which a daily grade may not be taken in every subject area.
- A minimum of one summative assessment grade per three weeks per content area must be recorded.
- Grades recorded should be reflective of a student's mastery of the TEKS taught during that grading period.
- Official grades will be in Skyward only and can be accessed by student and parent through Family Access.

Classroom Procedures

Entering the Classroom

Students are expected to enter the classroom calmly and quickly each morning. Students will put up backpack and Take Home Folder. Students will make their Lunch Choice on the class chart. Students will then have 2-3 options of prepared activities for each day until the final bell rings and announcements begin.

Assignments, exams, make up/ missed work expectations:

Students will be able to re-do any assignment that was graded less than 70% at home and return to class by the end of the nine weeks to earn a higher grade of 80%. The second grade does not assign homework, but we highly recommend 30 minutes of reading nightly. Any missed or make up exams will be completed in class.

Communication Procedures with Parents and Families:

- Take Home Folders
- Grade level remind
- Monthly Newsletter

Academic Integrity:

Academic integrity values the work of individuals regardless if it is another student's work, a researcher, or author. The pursuit of learning requires each student to be responsible for his or her academic work. Academic dishonesty is not tolerated in our schools. Academic dishonesty includes cheating, copying the work of another student, plagiarism, and unauthorized communication between students during an examination. The determination that a student has engaged in academic dishonesty shall be based on the judgment of the classroom teacher or other supervising professional employee and considers written materials, observation, or information from students. Students found to have engaged in academic dishonesty shall be subject to disciplinary and/or academic penalties. The teacher and campus administrator shall jointly determine such action.

Consequences for Classroom Rule Violations

1. Redirection by teacher
2. Isolated recess
3. Sign folders
4. Office referral
