5th Grade

Math: Mrs. Beauchamp kbeauchamp@ems-isd.net

Reading/ELA: Mrs. Hill thill@ems-isd.net

Math Lab/ELA Lab: Mrs. Holsomback aholsomback@ems-isd.net

Science/Social Studies: Mrs. Tumlinson ctumlinson@ems-isd.net

Conference Period: 1:30-2:20

5th Grade Resources:

All student resources will be accessible through their single sign on portal (EMS webpage under the “student” tab)
[Single Sign-on Portal \(SSO\)](#).

Grade Level Goals:

Students who complete this course successfully will be able to:

Show mastery of fifth grade math, reading, and science skills by scoring at least “meets” on STAAR.

Student Evaluation:

The grading system for **grade level (2 – 5)** is as follows:

- 40% daily assignments (formative) and 60% summative assessments
- Homework does not need to be graded; however, it should be reviewed for understanding. At teacher discretion, homework may count for a maximum of 10% of the 40% daily assignment weighting.
- A minimum of one daily grade per week should be recorded per core content area. At teacher discretion, there may be a greater number of daily grades; however, as appropriate, there may be weeks in which a daily grade may not be taken in every subject area.
- A minimum of one summative assessment grade per three weeks per content area must be recorded.
- Grades recorded should be reflective of a student's mastery of the TEKS taught during that grading period.
- Official grades will be in Skyward only and can be accessed by student and parent through Family Access.

Assignments, exams, expectations outside of the classroom:

Students will be expected to complete all assignments & turn them in daily. Exams will be given as we complete the different units. Students should log on to Istation & complete 30 minutes per week for both math and reading.

Attendance/Tardy Policy/Make-Up Work:

“Attendance will be taken according to the District Guidelines.”

Classroom Expectations:

OWL EXPECTATIONS

One Team~ We work together in kindness.

Wise Workers~ We make the most of our learning time.

Luminous Leaders~ We model the Golden Rule in our choices.

Sagacious Scholars~ We seek understanding and show what we know.

Lake Pointe Elementary

Academic Integrity:

Academic integrity values the work of individuals, regardless if it is another student's work, a researcher, or author. The pursuit of learning requires each student to be responsible for his or her academic work. Academic dishonesty is not tolerated in our schools. Academic dishonesty includes cheating, copying the work of another student, plagiarism, and unauthorized communication between students during an examination. The determination that a student has engaged in academic dishonesty shall be based on the judgment of the classroom teacher or other supervising professional employee and considers written materials, observation, or information from students. Students found to have engaged in academic dishonesty shall be subject to disciplinary and/or academic penalties. The teacher and campus administrator shall jointly determine such action.
