CURBSIDE MEALS

Student meals are available during remote learning for curbside pickup. Money can be deposited to students' accounts at www.myschoolbucks.com or students can deposit money at the register when picking up their meals. Please note that we are not currently issuing refunds or providing change to reduce contact. All money paid at the register will be deposited on students account. Remote learners may pick up meals from 9-10 am Monday through Friday at select campuses.
