Eagle Mountain-Saginaw Independent School District

Willow Creek Elementary

2023-2024 Improvement Plan

Mission Statement

Commit to Growth

Serve Others

Make a Positive Impact

Vision

Unite and collaborate to create a safe, positive, and creative community with high expectations for growth

Operational Visions

Culture Vision

Willow Creek is a diverse family built on positive interactions using collaboration, respect, and trust to ensure supportive relationships and growth for all.

Instructional Vision

In every classroom our instructional practice will be intentionally student-centered using backward design, engagement strategies, and rigorous content to meet learning goals.

Assessment Vision

Common formative (short cycle) and summative (DCA) assessments that are aligned with state and district standards will be given at WCES. Teachers will evaluate assessments to inform practice and intervene on behalf of students. Students will evaluate progress and adjust individual goals. Information will be communicated to parents regularly.

RTI Vision

All staff will commit to provide an engaging, consistent environment in which data driven instruction is purposefully planned and delivered to ensure growth for all learners.

Value Statement

Core Beliefs

We believe in **serving** with heart in all we do by focusing on others and making a difference throughout our community.

We believe in being **genuine** with sincere intentions.

We believe in developing and nurturing **positive relationships** within our community.

We believe embodying **respect** is treating others the way we want to be treated.

We believe in **collaborating** to maximize intervention, enrichment, and engagement.

Goals

Goal 1: EXCELLENCE IN ACADEMICS: We will provide quality tiered instruction and systematic intervention in a positive, engaging learning environment to ensure high levels of achievement for every student. (ASPIRE Objective 1;2;3)

Performance Objective 1: 100% of Willow Creek teachers will follow Tier 1 curriculum documents and resources as identified by the curriculum department for EMS ISD. K-5 teachers will implement the district curriculum instructional frameworks, use research based instructional strategies, provide clarity of purpose of learning, and will analyze data using the PDSA model so that instruction can adapt to the specific needs of the students.

Addendums

WCES Accelerated Instruction Plan

o Schedule by content and grade level

For any student who did not pass STAAR grades 3 and 4, no less than 30 hours of accelerated instruction will be delivered in the 2021-2022 school year (starting in fall 2021). Accelerated instruction will be from certified classroom teachers or tutors delivering supplemental instruction after school or embedded in the school day meeting HB4545 requirements.

Students will be grouped according to grade level and skills identified in areas of concern for both Reading and Math

o Description of tutoring format

Students on Tier 2 intervention will receive additional classroom support during Tier 1 time and Tier 2 time to address targeted Texas Essential Knowledge and Skills (TEKS)-aligned instruction for the applicable grade level and content area. This instruction will be in addition to the normal instruction provided to students. The instruction will be designed to assist the student in achieving satisfactory performance in the content area and will not be scheduled during foundation curriculum, enrichment curriculum, recess, or physical activity.

Students on Tier 3 intervention will receive additional classroom support during Tier 1 time and Tier 3 time to address targeted Texas Essential Knowledge and Skills (TEKS)-aligned instruction for the applicable grade level and content area. This instruction will be in addition to the normal instruction provided to students. The instruction will be designed to assist the student in achieving satisfactory performance in the content area and will not be scheduled during foundation curriculum, enrichment curriculum, recess, or physical activity.

o Group sizes

Student will receive instruction in a small group environment (if parent waiver is signed). If a waiver is not signed by parents allowing groups more than three, then the students will be in a group size of no more than 3 students.

o Dates

Tutoring will begin September 8, 2021 and will continue until the 30 hours per necessary subject is completed.

o Progress monitoring process

Teachers and tutors will use progress monitoring for all students receiving accelerated instruction. For ELAR, teachers will use Running Records and Istation assessments. For Math, teachers will use Istation. Students in Tier 2 will receive progress monitoring every 3-4 weeks, and students in Tier 3 will receive progress monitoring every 2-3 weeks. Parents will receive a copy of the progress monitoring documentation at a minimum of once every 4 weeks.

o Process for evaluating program effectiveness. This will be reported at the district level periodically throughout the year.

Administration will be observing during tutoring times throughout the day as well as after school. Teacher input and parent input will be gathered focusing on curriculum, resources, progress monitoring tools, and communication.

The following 2 data measures that were <u>*included*</u> *in the calculation of CCMR in 2018, 2019 and 2020 were* <u>*excluded*</u> *beginning in 2021:*

  1. *Military Enlistment (which is excluded from accountability calculations until reliable data can be obtained directly from the US Armed Forces)*
  2. *The 1/2 point CCMR credit for a CTE coherent sequence graduate completing and receiving credit for at least one CTE course aligned with an IBC*

In order to allow for a more applicable comparison of 2021 CCMR with previous years, the CCMR scores reported in this row have been adjusted by subtracting the percentage of students who met CCMR based on military enlistment or based on the 1/2 point credit for coherent sequence CTE from the CCMR scores reported for 2018, 2019 and 2020.
