

News from our PTA

Volunteers Needed! There is a link on the PTA Facebook page or email spurspta@gmail.com if you are interested in helping. The latest PTA info can be found on the Facebook page! It is not too late to join PTA. Membership forms can be found in the office, or you can sign up online.

We ♥ volunteers!

Be sure to check out the school lunch menu on your smart phone through the free Nutrislice app!

Elementary Breakfast is \$1.35 and Lunch is \$2.55

How to Put Money in Your Students' Account:

The cafeteria serving lines are automated and all student information is in the computer. This makes it easy for parents to deposit money in their child's **BANK-A-MEAL** account for meals and a la carte foods. As students "purchase" meals that amount is debited from that account. We also offer pre-payment from debit and credit cards using the on-line website: www.myschoolbucks.com

Kindergarten

Our Kinder Spurs are wrapping up our school year with teachers assessing learning and growth. Practice your Sight Words and counting to 100! Read together at night and discuss your stories with your student. Point to the words while you read! Way to go Kinder Spurs!

First Grade

Our First graders are continuing to work hard as we wrap up the school year and get ready for 2nd grade! Here is what we will be learning about: **Math** - Personal Financial Literacy

Science - Organisms and Environment Research
Reading and Writing - supporting Student Inquiry Project

Thank you to your families for all of the help and support this school year!

Second Grade

Hello 2nd grade Spur families! We made it to May 😊 I hope all the April showers are paying off for you and you're finally enjoying some beautiful May flowers. We are one step closer to summer break! Here is what we are finishing the year off with in 2nd grade:

Reading/Writing – Inquiry Project and End of Year Review

Social Studies – Inventors/Inventions and Research Project

Science – Rocks and Bodies of Water

Math – Measurement, Money, and End of Year Review
Thank you again for always supporting us as we get ready for 3rd grade!

Spur Etiquette

May 1-5 Spurs will be honest.

May 8-12 Spurs will hold the door for others.

May 15-19 Spurs will show kindness to others.

May 22-26 Spurs will say "excuse me" if they bump into someone EVEN if it wasn't their fault.

Lost and Found Items

We have a lost and found area in the hallway beside the gym. Items will be placed there on hooks for you to view. If your student has lost something, please be sure to check there. Items will be donated after the last day of school.

Third Grade

The 3rd grade team would like to thank all of the parents for their support this year!

Here's what's happening during the month of May:

Math - 3rd Grade Review; 4th Grade Preview

Science - Food chains

Social Studies - Economics

ELAR - Literature Circles, Multi-genre review, Inquiry project

Fourth Grade

We would like to start by saying "thank you" to all our wonderful fourth grade parents. Your support has been greatly appreciated. The following is a list of topics that will be covered this month: **Math**: Students will continue to work on fluency with all operations. We will work with standard algorithms for addition, multiplication, and division. We will work on fractions and decimals as needed. **Science**: Students will learn that producers make their own food. We will discuss that consumers are dependent on other organisms for their food. Students will demonstrate that the flow of energy through food webs begins with the Sun. We will discuss that changes in an ecosystem can affect food webs.

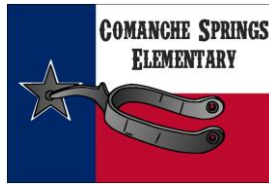

Reading: Students will research various topics that they read about in books. Students will develop drafts into a focused, structured, and coherent piece of writing.

Social St: Students will explain the impact of Texas Culture and Texas Arts.

Fifth Grade

Math and science - We are reviewing for STAAR. The focus is on the high stakes TEKs that comprise the majority of the STAAR in both subject areas. After STAAR we will focus on recapturing TEKs that will set the foundation for success in 6th grade.

ELAR & Social Studies - Over the next three weeks, students will be researching and presenting information on one of the 50 states. Students will be guided through the research process during class. We are looking forward to our field trip on May 12. It has been a wonderful year and we wish our 5th graders all the best as they move on to 6th grade!

A Note from the Principal

Hello Spur families and welcome to May! So many fun and exciting activities will be taking place during our last month of school! Be sure to check the calendar, website, the marquee, and information from your child's teacher for all of the important details – you won't want to miss any of the fun! I also want to wish all of you a very happy and safe summer! Our last day of school for this year is Friday, May 26. It is an early release day at 11:50. The first day of the next school year is Monday, August 14, 2023.

Mrs. Melissa Davis
Principal

Welcome to the School Counselor's Corner

As the end of the school year is approaching, I would like to remind our Spur families about internet safety. Summer is a favorite time of year for many children – and for good reason. The long days of summer provide a much-anticipated break from school and are often filled with swimming, cookouts, travel, and outdoor fun. As the summer approaches, along with all the fun activities that will occur, many students will have an increase in their amount of free time. During this free time, many adolescents turn to social networking to keep in touch with their friends. It is a good time to take note of how much time your child is spending in front of a screen, then assess how much time should be allowed and set limits. It is important to keep an open dialogue with your child about their activity online. We will host NetSmartz on our campus to learn about internet safety during the month of May. NetSmartz is NCMC's online safety education program. It provides age-appropriate videos and activities to help teach children be safer online with the goal of helping children to become more aware of potential online risks and empowering them to help prevent victimization by making safer choices on- and offline. Spur Ambassadors and I would like to thank you for all your support and donations you all have sent in this school year. It feels so good to be able to help others less fortunate in our community. Together, we can make a difference. I am so proud of our Spur Ambassadors this year! It felt great to serve our community again.
