- ◆ Deductions begin with September pay period (September 20th). Childcare begins the first day of the 187 Teacher Contract (August 1st).
- ◆ Childcare Fees are annualized and deducted according to your selection of 10 or 12 months. If a child withdraws from the center before the end of the school year the amount due for all days of care will be deducted from the employee's final paycheck. This could mean the amount is higher or lower than the normal monthly deduction, depending on the total number of days of care.
- ◆ Please complete one form for every child in care.
