In order to qualify for kindergarten acceleration, the student must be **5** as of September 1st and **6** on or before December 31st of the corresponding calendar year. If both of these conditions exist, a parent/guardian may request that his/her child test for placement for first grade.

I request that my child be permitted to take the Credit-by-Exam test for the purpose of accelerating to the first grade. I understand a student may be accelerated if he/she meets all of the following requirements:

1. The student scores 80% or higher on all criterion-referenced tests for the grade level he/she requests to skip in each of the following areas:
 - * **Language Arts**
 - * **Math**
 - * **Science**
 - * **Social Studies**
2. A school representative recommends that the student be accelerated.
3. Credit by Exam deposits are \$25.00 per test (total of \$100 for all four). The exam deposits are refundable when the student shows up to take the test. Refunds will be sent with the test results in late summer.
